

Parkinson's Disease Spotlight on Clinical Trials – What You Need to Know

Tuesday, February 9, 2016

1:00-2:00 PM ET

Web/Teleconference

Tuesday, February 9, 2016

1:00 PM – 2:00 PM ET

12:00 PM – 1:00 PM CT

11:00 AM – 12:00 PM MT

10:00 AM – 11:00 AM PT

Join us to hear expert perspectives on clinical trials for Parkinson's Disease. The program is designed to help people with Parkinson's Disease, family members and care partners. Please share this invitation with anyone in your support network that you feel will benefit from this information.

Our esteemed experts will discuss:

- The role of clinical trials in Parkinson's Disease
- Phases of a clinical trial, from idea to approval
- Participation in a clinical trial: consent, eligibility, schedule of activities
- How to find ongoing clinical trials
