

I HAVE PARKINSON'S DISEASE

PLEASE ALLOW ME TIME TO COMMUNICATE.

Parkinson's disease (PD) is a neurological movement disorder problem. I may slur my words, seem unsteady on my feet, or not be able to move at all. I am aware of what is going on. Please be patient with me.

If I need help, kindly contact the person listed on the other side of this card. Thank you for your help and understanding. For more information on PD contact the American Parkinson Disease Association at 800-223-2732, www.apdaparkinson.org
