

APDA VA Fall 2025 COMMUNITY GRANT PROGRAM

The Opportunity:

The American Parkinson Disease Association Virginia Chapter's Grant Program's goal is to increase access and affordability of Wellness programs, Support Groups and Educational initiatives for people with Parkinson Disease within Virginia. Our intent is to reach as many individuals from the PD community as possible throughout the state with quality programming. While we focus on the above-mentioned initiatives, the APDA reserves the right to consider programs outside of their focus.

The American Parkinson Disease Association Virginia Chapter intends to foster more diverse, equitable, and inclusive community programming. As such, applicants providing programs to members of underserved communities (based on factors such as ethnicity, geography, socioeconomic conditions, and gender) receive greater weight in the evaluation process.

Grant approval is subject to funds available.

Grant Composition:

A typical grant amount is \$500 - \$1500 for a full-year program.

Allowable Costs:

- Instructor fees
- Facility costs (rent if incurred)

Prohibited Costs:

- Instructor training programs or licensing fees.
- Purchase or rental of equipment.
- Administrative fees such as advertising, printing, postage, depreciations and other overhead expenses.
- Travel
- Salary costs for staff who are already employed full time by their organization.
- Snacks

APDA VA's Supporting Role with Your Program:

By accepting a grant, you are also accepting the American Parkinson Disease Association Virginia chapter as a **program supporter**. In addition to the financial contribution, as a supporter the APDA incurs additional costs relative to your program including administrative costs as well as program insurance costs required for all APDA programs and activities. (Please note, this insurance does NOT substitute for your program insurance.) In addition, as a program supporter the APDA VA chapter will:

- make necessary connections and actively promote the program through all appropriate means, but you are ultimately responsible for its overall promotion
- share relevant past program learnings to help your program achieve its maximum level of success

Program Requirements:

The APDA VA chapter **requires**:

- **VISIBILITY:** Recognition of the American Parkinson Disease Association Virginia Chapter as your **program supporter** in **ALL** media (online, print, tv radio) and that you publish the link to our website: <http://www.apdaparkinson.org/va>. Please refer to our “*APDA VA Communication Guidelines for Program Grant Recipients*” document for further details.
- **EVALUATION:** Within 30 days of the program conclusion you will provide the APDA VA chapter:
 - a list of all participants with contact information – email, address, telephone. If HIPAA laws constrain you from sharing this information, please advise us in advance and we will work out an alternative solution.
 - a post program summary evaluation measured against your pre-program success criteria
 - The report should outline how the program went, how the funds were allocated, and the impact the program had on the Parkinson’s community.
 - copies of your program participant evaluations
 - copies of any media that the event received

Please note, your compliance with the above requirements will impact consideration given on any subsequent grant requests. For initial and subsequent grant requests, the APDA also expects to see efforts by the requester to eventually be partially or eventually fully self-sustainable.

Application & Notification Process

Please plan accordingly:

- Grant requests are **ONLY** accepted two times a year
- Funds are **NOT RETROACTIVE** and only cover services **AFTER** the date on your letter of acceptance.
- If your program will run multiple times within the 12 months following your submission, please submit for all sessions on one application.
- All applications must be completed in full and include a detailed budget. An incomplete application will not be reviewed.
- The APDA VA chapter will evaluate and get back to you with a decision in approximately 45 days.

Once approved it will take an additional 3-4 weeks until you will receive the funding. During this time, please make sure you send back a signed copy of the program’s MOU (Memorandum of Understanding). No checks will be disbursed without prior receipt of the signed MOU and a copy of your W9.

Background Information

Mission Statement

Every day, we provide the support, education, and research that will help everyone impacted by Parkinson's disease live life to the fullest.

The American Parkinson Disease Association (APDA) is the largest grassroots network dedicated to fighting Parkinson's disease (PD) and works tirelessly to assist the more than 1 million Americans with PD live life to the fullest in the face of this chronic, neurological disorder. Founded in 1961, APDA has raised and invested more than \$252 million to provide outstanding patient services and educational programs, elevate public awareness about the disease, and support research designed to unlock the mysteries of PD and ultimately put an end to this disease.
